SUSTAINABILITY

2020 - 2025

**STRATEGY**

CCC is on track to integrating sustainability into all our business activities. Our operation assessment allows us to identify and prioritize activities that address our direct environmental and social impact and explore opportunities where we can make a difference where we operate.

Our Sustainability Strategy is based on the three pillars of sustainable development: **economy**, **environment** and **society**.

We strive to align our strategy with the Sustainable Development Goals (SDGs), a call to action set by the United Nations General Assembly in 2015 to protect the planet and ensure that all people enjoy peace and prosperity.

CCC's vision is to foster a culture of sustainability that promotes economic prosperity, environmental benefits, and social value all geared to increasing our positive impact on the world.
